

Dear Sirs:

The letter is to reply your letter dated Feb. 24th, 2005 with Confirmation No.:3092 Regarding to a patent application (No.:10818169). I have called and talked with a lady in your office, she confirmed that this was a mistake. The patent you mentioned in that letter is actually a request of correction of all 7 drawings which belong to the patent application of No. 10724493 entitled "ON-CHIP IMAGE BUFFER COMPRESSION METHOD AND APPARATUS FOR DIGITAL IMAGE COMPRESSION"

Please kindly accept this letter and attached those drawings (already in your file) into the patent application of No. 10724493

The letter attached below was the one attached to you mentioned (No.:10818169)
Thanks you for your kind attention.

Sincerely Yours,

Chih-Ta Star Sung
